## Newsletter No 27

30 October 2020

Kia ora e te whanau

Term four is well and truly underway with our students busy in the classroom as well as being given opportunities to further their learning outside of the classroom. This week saw the junior drama performance of *Eating the Wolf*. Our students transformed PFA1 (formerly known as the AV room) into a great space for the performance. It was great to see our students perform in front of their peers and family. We also had both staff and students participate in the Ronald Hugh Morrieson Literary Awards, with several being finalists. We are extremely proud of their achievements and look forward to seeing what they produce in the future. Sports has also resumed this term, which is wonderful to see, however, the weather is not always playing its part so please keep an eye out on our sports Facebook page for cancellations. We will update you in this space as soon as we are able.

Next week is dress up week for our Year 13 students, this event starts the final countdown for our Year 13 students on their journey through Hawera High School. Our Year 13 students only have 8 days, and our Year 11 and 12 students only have 9 days of school left before they are all on study leave for their external examinations. It is vital that senior students make the most of the remaining time they have in class so they can give themselves the best opportunity possible of completing their examinations to a high standard. Teachers will be available to senior students when they are on study leave, but seniors must make sure they book times with teachers and sign in at the office. Senior students should be mindful if they are coming into school to get extra help that they need to be respectful of the juniors that are still in class and that teacher's priority will be the junior students and their learning programmes.

As you are aware, we have been tracking our senior students very closely this year due to the disruption with COVID-19, this may mean that some students are going to be asked to come in and do some extra work during senior study leave. If this is the case for your child, we will be in contact to let you know the arrangements. We appreciate the support that many of you have been giving the school by ensuring that students are turning up to the extra classes being provided. Together our students are being given the best opportunity possible to gain their qualifications.

In our newsletter today we have included information about stationery and BYOD for 2021 with the intent to give you plenty of time to keep an eye out on sales over the Christmas and New Year period. Students will be expected to have a device for 2021 which is not their phone. Appropriate devices are laptops, tablets with keyboards etc; if you are not sure if a device is appropriate for school use then please get in contact with us. We will be offering school devices for long and short-term loans again in 2021. If students select to have a school device long term it is issued at the start of each term and collected at the end of each term, cost for the year will be \$100 of which \$80 will be refunded when the device is returned at the end of the year in good condition. Students and parents will have a contract to sign for long term loans. Short term loans are also available next year, these devices get collected daily from the resource centre, students must collect these at the start of the day and return at the end of the day. We will be sending out a survey to all families in January so that we can have school devices labelled and ready for the students on their return to school.

At the end of this term all our junior students will participate in activity week, if your child has not selected an activity yet they should see Mrs Fern as soon as possible. TOPEC is also on offer for Year 10 students the week starting 9<sup>th</sup> November, there are not many spaces left so students should contact the front office or Mrs Batchelor as soon as possible.

Over the next few weeks, we have our last whole school assembly for the year, as well as our senior prizegiving's, keep an eye out for the dates as we would love to have you join us as we celebrate our student's success.

Kia kaha, te awhina, Strength through caring

### **Return of Cups & Trophies for 2020 Prizegiving**

Please return **ALL** cups, shields and trophies from last year's prize giving, **ASAP TO THE SCHOOL OFFICE.**

### **2021 Enrolments**

If you have a student coming to Hawera High School in 2021 please get their enrolment information to the school office as soon as possible. Thank you to those families who have already enrolled their children for next year.

### **Long Term Device Return**

- All Seniors with Long Term Devices, on loan from the school, need to return them to the Resource Centre on or before Friday **6<sup>th</sup> November 2020**. These need to be checked off by the Resource Centre staff, so please make sure they are clearly labelled with your name and the chargers and bags are included.
- Junior students with Long Term Devices, on loan from the school, will need to return their device on or before Thursday **3<sup>rd</sup> December 2020** to TN3 (Photography Room).

### **Device Information 2021**

Students are required to bring an appropriate device to access learning resources, process information, organise resources and communicate with others. Smart phones are not considered to be a suitable device.

#### **What types/models of devices can be brought?**

The device must be internet capable and have the ability to create and edit common documents such as word processed documents, spreadsheets and presentations. It should also have the ability to read ebooks and pdfs. We would allow netbooks or a laptop of 11 inch screen size or larger.

If parents and students are considering a device purchase we have produced some guidelines to assist in this process.

**Checklist for your child's laptop** - if you are buying a laptop it should:

- ✓ Have a minimum of 8Gb Ram. 16Gb will improve performance
- ✓ Minimum 11inch screen
- ✓ Be internet capable and able to access the school's wireless network
- ✓ Be able to run Microsoft© Office 365
- ✓ Have a keyboard
- ✓ Have a good battery life (more than 6 hours)
- ✓ Be lightweight enough that it can be carried easily
- ✓ Have sufficient storage space to store documents. Recommended minimum 64GB of internal storage
- ✓ Have a back-up device (e.g. a USB stick or external hard drive). While documents are stored in their Microsoft© cloud it is good practice to learn to backup
- ✓ An extended 3-year warranty
- ✓ A suitable well-padded durable laptop bag

## Headphones

The school is no longer providing headphones in any of our computer rooms for Health and Safety reasons, we ask that students supply their own.

## Student personal phones as part of BYOD

During and after the COVID-19 lockdown we surveyed students regarding their access to a digital computer device. All students have indicated that they have access to a personal device or were given access to use a school device whether this is through our long-term loan system which is loaned for an extended period usually the full year, or short term which is daily from the school library. These devices can provide the necessary storage and run the necessary software for student learning. At the start of Term 4 2020 we removed access to the school WIFI for all smart phones as these are now deemed not necessary for students to engage in learning. It is therefore essential that school or personal computer devices are brought to school daily to ensure students can access and complete their work. When these phones are removed there is a slight possibility that some tablets and iPads may be identified as phones due to the operating system they use and removed also. If this is the case the student should advise the form teacher of the devices MAC address (details how to find this are available online) and we will ensure that the device is once again recognised by our system.

## Senior Technology

Technology external report deadlines – due next Friday 6<sup>th</sup> November for the following:

Level 2 Food Technology

Level 1, 2, 3 Textiles Technology

## Prom 2020

The Year 13s were able to attend the 2020 Prom on the last Friday of the Term 3 School Holidays. The event, although smaller, and with a few modifications, was perfect! The students and teachers had a wonderful evening.

Thank you to the following:

**Mitch Careswell** (ex-student) - Mitch and his Guitar: Music.

**Hub Catering** - Grazing Tables/Food

**Brad Roberts** (ex-student): Photography

**STDC** - Hub Hire

**Booth 45** - Photo Booth

A very special thank you to the Te Hawera Community Board for their financial support through a community grant. This enabled us to put together a fabulous evening with limited numbers in attendance. Thank you very much!

## Town v Country - Lee Marshall Challenge Trophy

Last Friday the Year 13 students organised a sports challenge in their own code called Town v Country. The challenge was held on the anniversary of Lee Marshall's passing. Lee was a very much-loved PE teacher with a long history at Hawera High School. It was decided to award a trophy in honour of his memory. This competition will be played each year. It was a great day with everyone enjoying their games.

The results:

- Netball – Country 33 – Town 29
- Rugby – Country 19 – Town 10
- Basketball – Town 30 – Country 16
- Football – Town 5 – Country 3

### **First Novel Achievement**

Congratulations and well done to Lauren Nelley, who has just published her first novel. What an amazing achievement.

'The Ice Behind the Fire' is an "unpredictable young adult thriller novel" which follows a group of friends trying to save their hometown from a government take-over. Two weeks after completing it, Lauren started the sequel, 'The Fire Has Assembled', which carries on the action packed journey that Mack and her friends are on. To join Mack on her endeavor's, grab your copy of the 'Ice Behind the Fire' from Hawera Paper Plus.

### **Football Congratulations**

Congratulations to William Van Kerssen who has been named by Central Football as the Junior Sportsman of the Year.

### **Ronald Hugh Morrieson Awards 2020**

It was another successful night at the Ronald Hugh Morrieson Awards for Hawera High School. Liam Finer (Year 12) came in 1st place for his action packed short story. Along with Liam's success, Ms Koren Miller (Food Technology Teacher) showed she is working hard to join the English Department with her 2nd place in the open poetry section.

Offer runs 2 - 15 November 2020, and is only available at Noel Leeming stores detailed, while stocks last. The offer excludes IT accessories, PC software & consumables, AV accessories, storage & power products unless otherwise stated. The offer is cost\* + 7.5% - 14% on all products storewide. Average cost reflects the average price of the product including any administration and handling costs, and does include any volume related adjustments which may apply and GST. <sup>^</sup>Price is based on average cost as at 14/10/2020 and may vary slightly due to average cost fluctuations. Offer is not available online and cannot be used in conjunction with any deferred and/or interest free credit offer other than Zip or with any other promotional offer. Offer does not apply to any Noel Leeming Gift Card purchases, Tech Solutions, Endeavour products, extended warranties, laybys, delivery fees, Dyson products, Apple hardware (including iPhones), gaming consoles and bundles, iTunes cards, mobile phone top up cards bonus, free or half price items. Fly Buys points consist of 1 standard point for every \$50 of cumulative spend at Noel Leeming over a 12 month period. Visit [noelleeming.comz/flybuys](http://noelleeming.comz/flybuys) for more details. An additional 2% surcharge applies when purchasing items on a credit card. See in store for details. Some of our nationally advertised specials may be at a lower price than this offer but you will receive the best price on the day for the item/s you choose.
