

Meetings / Practices	Where	When
----------------------	-------	------

After School Art Club	TR10 & TN1	Thursday 3:10 to 5pm (BA
-----------------------	------------	--------------------------

A reminder to all seniors taking an art subject this year (photography included), that the department is staying open after school on Thursdays until 5pm, for you to continue working on your assessments. There are a lot of things happening this week, which might mean some people miss out on class time, so I recommend making use of this time. Plus, there will be biscuits for the kids who show up!

General Notices
