

Hawera High School

Stationery / School Costs List 2018

Year 11, 12, 13

Students are requested to purchase their stationery during the summer break and to be prepared for the beginning of the academic school year on the **Tuesday, 30th January 2018 (Year 13)** and **Thursday, 1st February 2018 (Year 11 & 12)**. Students must check the stationery requirements for each of their options. It is expected that students will also have general stationery such as pens, rulers etc.

Please find following a list of school costs, subject and workbook requirements; **Invoices for these costs will be posted home as soon as all class placements have been confirmed.** Payment is to be made to the office.

NOTES

1. All students will be provided with an **ID card**. The student's library number and vehicle pass are on this card. It is also useful for other purposes outside school as it has the student's photo and birth date on it.
2. All subject costs need to be paid (on invoice) to ensure that the materials, programmes, workbooks etc are available; they are an essential part of the course. It is important if the student is taking the subject that they pay these costs. Failure to do so could result in removal from the course.
3. Eftpos is available at the office. You can also pay by Direct Credit to our bank account. Instructions for this are printed on the invoices.

Year 11, 12, 13 - 2018

School Costs - Workbook Costs

An invoice for these costs will be issued to your student at the beginning of the year once all subjects/classes have been finalised - **please pay when you receive an invoice**

All Students		Amount

HAWERA HIGH SCHOOL FAMILY ACCOUNTS

This is a service the school offers to families. In order to take advantage of this service the school requires families to commit to regular payments (via automatic payment) to the Family Account during their students' time at Hawera High School.

Family Accounts allow for student workbooks etc. to be handed out and for activities to be undertaken before all fees are paid. Fees are processed once evidence of regular payment is observed, and the balance owing is transferred to the Family Account, which is then paid off by automatic payment.

Please note that payments need to be sufficient for the balance to be cleared by the end of each school year. If your Family Account is in credit, this will automatically transfer to the following year. The benefits of setting up a Family Account are:

- Workbooks issued early
- Students are not penalised for not having paid subject material costs
- School trips, sports subscriptions etc can be paid for using the Family Account
- Parents can indicate to add charges to their Family Account via permission slips, phoning the school office or sending a note with your student
- Account balances are issued monthly so parents have a regular record of charges and payments made to the Family Account
- One account per family with more than one child at school – so if a child leaves the account remains active for children still at school

Our Family Accounts Administrator is **Angela Pennefather**.

Please contact Angela for **terms and conditions** if you are interested in opening a Family Account.

Phone: 06 278 4145 ext 821
